

REMARKS

Applicants previously filed an Amendment under Rule 312 on February 22, 2010 in which independent claims 77 and 187 were amended to be consistent with those amendments presented in the Examiner's amendment mailed on February 8, 2010 and new claims 221-233 were presented.

In response to Applicants' Rule 312 Amendment, the Examiner denied entry of new claims 221-233 stating that the claims did not include a molecular weight recitation. In response, Applicants present herewith newly added claims 221-232 that include a molecular weight recitation. Entry of this Amendment is respectfully requested.

Applicants believe that no fees are due with the filing of this response. Should the Commissioner deem that any other fees are due, Applicants respectfully request that the Commissioner accept this as a Petition Therefor, and direct that any additional fees be charged to Baker Botts, L.L.P.'s Deposit Account No. 02-0383, Order Number 063718.0321.

Respectfully submitted,

/Larissa Piccardo/
